

WATER CONSERVATION--NOT JUST FOR LUNCH ANYMORE! Centennial Water & Sanitation District is expanding our free Lunch and Learn workshops to include weeknight classes as well. The *first Thursday* of each month, all classes will be held from noon to 1 p.m. at the Highlands Ranch Library, located at 9292 Ridgeline Boulevard, in Shea Room A. Don't forget to bring a brown-bag lunch. Classes on the *second Thursday* of the month will be held from 6:30 to 7:30 p.m. at the Metro District office building, located at 62 W. Plaza Drive (corner of Broadway and Plaza). For more information, please contact Jon Klassen at 720-240-4917.

THURSDAY, APRIL 2 & 9: SPRING LANDSCAPE & IRRIGATION TIPS

Learn how to get your irrigation system in proper working order for the upcoming irrigation season. Topics will include sprinkler system start-up and sprinkler system maintenance. You will also learn ways to get your landscape ready for the upcoming summer months including when and how often you should fertilize your lawn.

THURSDAY, MAY 7 & 14: PRINCIPLES OF XERISCAPE

Discover the seven principles of Xeriscape. Xeriscape is not just about rocks and cactus; it can also be a vibrant, colorful landscape that can help you save water. Learn about the proper techniques involved in creating a successful Xeriscape.

THURSDAY, JUNE 4 & 11: CONTROLLER BASICS & IRRIGATION SYSTEM MANAGEMENT

Get up to speed on how to properly maintain your sprinkler system to help conserve water. Gone are the days of turning on your controller in April and shutting it down in October. This class will teach you how to manage your irrigation system according to the needs of your landscape.

THURSDAY, JULY 2 & 9: STAYING WITHIN YOUR WATER BUDGET

This class will discuss the billing structure Centennial Water & Sanitation District uses for residential and commercial properties. Learn how your budget is calculated and methods to stay within your budget.

THURSDAY, AUGUST 6 & 13: HOME WATER MANAGEMENT

Get tips on how you can conserve water indoors. Learn how to check your home for leaks on a regular basis. Find out how most of the water in your home is used and learn ways to conserve water.

THURSDAY, SEPTEMBER 3 & 10: WINTERIZE YOUR LANDSCAPE & IRRIGATION SYSTEM

Learn how to prepare your landscape and irrigation system for winter. The techniques you use in the fall will help your landscape stay healthy through the winter months. Properly winterizing your irrigation system will also help you save money next spring.
