

METRO DISTRICT BOARD OF DIRECTORS

Jim Worley, Director

Jim moved to Highlands Ranch in 1985. When his family moved to Colorado, it was very important to them to settle in a safe community with good schools. Their realtor said Highlands Ranch was exactly what they were looking for. After living here for almost 30 years, they know they made the right choice.

Jim originally served on the Metro District Board from 1999-2001. He was a board member for Metro District #1 two years prior to consolidation, followed by two years as board advisor after consolidation. He has managed Colorado special districts for 27 years, including nine years as general manager of the Metro District. He also serves on the Douglas County Public Safety Advisory Committee through an appointment by the Douglas County Sheriff.
