Donate your bicycle to charity April 13

Project ReCycle is returning to Highlands Ranch for the second year in a row. The Douglas-county based non-profit organization is partnering with the Highlands Ranch Metro District to host Recycle Your Bicycle on Sunday, April 13 from 1 until 3 p.m. at Redstone Park.

People are encouraged to collect their old or unwanted bicycles and donate them. Project ReCycle hosts bicycle donation drives throughout the Denver area, spruces up the donated bicycles and gets them into the hands of those less fortunate. If your bike is broken, they still want it! Bikes that cannot be brought back to life will be taken apart and the parts will be used on other bicycles.

Recycle Your Bicycle will take place in the parking lot in front of Shea Stadium at Redstone Park, 3280 Redstone Park Cir., Highlands Ranch. For more information about Recycle Your Bicycle, call 303-791-0430 or visit www.highlandsranch.org.

The Highlands Ranch Metro District is a proud sponsor of the Recycle Your Bicycle event.

Founded in 1981 as the local government in Highlands Ranch, Colorado, the Metro District provides a variety of municipal services to this planned community of 93,000 people. Learn more about the Metro District at www.highlandsranch.org.
