

## METRO DISTRICT BOARD OF DIRECTORS

---

### Rick Owens, Chair

Metro District Board of Directors Chair Rick Owens and his family moved to Highlands Ranch in 1989 because, “We liked the location and the concept of a planned community that would have good schools.” He was first elected to the Metro District Board in 2002.

When asked what he most enjoys about living in Highlands Ranch, Rick replied, “I like living in a community of new amenities and old fashioned values. I love that we have close proximity to the mountains, great schools and great services such as fire and emergency, sheriff and local elected officials.” Rick received a Bachelor of Business degree in Computer Science from Western Illinois University and earned a Master’s of Science degree from the University of Colorado. He has more than 20 years experience in business transformation, process automation, business intelligence, and customer service working for the United States government, United Airlines, Qwest, TeleTech Holdings and Alpine Access. Rick is Vice President of Infrastructure and Operations for Sitel.
