STAFF PRESENTATIONS
Bruce Lebsack gave a presentation on the HR 2008 bonds defeasance and summarizing with the recommendation that the District, consistent with the preliminary 2017 budget, call the remaining outstanding Series 2008 bonds on December 1, 2016. The six members of the present all agreed and instructed staff to proceed. (Addendum 3)

Carrie Ward gave a presentation and distributed a handout outlining the evaluation of three undeveloped school sites in Highlands Ranch, Cactus Bluff Avenue site, South Cresthill Lane site and Toepfer Park site off of Venneford Ranch Road, for potential park development. After careful consideration, staff recommended only the Toepfer Park site be considered for park expansion. Staff recommended the Board:
   a) Identify the “school” site, that is adjacent to the existing Toepfer Park, in the Highlands Ranch Outdoors Plan as a possible long-term expansion of Toepfer Park for mostly passive uses;
   b) Staff draft a letter to Douglas County School District copy Douglas County;
   c) Identify funding sources.
The Board supported staff’s recommendations. (Addendum 4 and 5)

Brian Muller addressed the request from Canyon Ranch Condominiums Association to install a new perimeter fence along Colorado Boulevard using TREX fencing, installed to district code standards at the Association’s expense and then have the fence maintained by the District with appropriate easements for maintenance. The Board directed staff to move forward with the next step in outlining the District’s standards for fencing and obtaining an easement agreement. (Addendum 6 & 7)
