

One entrance to Cheese Ranch to close for construction

Beginning Monday, Nov. 28, the entrance to Cheese Ranch Historic and Natural Area from Cornell Circle will be closed due to construction traffic. The construction is a continuation of the channel improvement projects downstream and is intended to restore the stream and control erosion in the drainage way and along the banks. The project is scheduled for completion in May, weather dependent. Cheese Ranch is located at 9191 Sugarstone Cir., Highlands Ranch.

Signs will be posted to advise of the closure. For alternate access, users can enter Cheese Ranch from trail connections from Princeton Street or Ashburn Lane.

For questions, please contact the project manager, Forrest Dykstra fdykstra@highlandsranch.org or Open Space Supervisor Scott Nelson at snelson@highlandsranch.org or 720-240-5924.
