**Donate your bicycle to charity April 17**

Project ReCycle is returning to Highlands Ranch for the fourth year in a row. The Douglas County-based non-profit organization is partnering with the Highlands Ranch Metro District to host Recycle Your Bicycle on Sunday, April 17 from 11 a.m. until 2 p.m. at Shea Stadium at Redstone Park.

Donate your used or unwanted bikes to Project ReCycle at this one day bicycle donation drive. Project ReCycle is a Douglas County-based non-profit whose goal is to provide smiles to children all over Colorado by donating bicycles to kids in need.

Project ReCycle collects bikes, spruces them up and gets them into the hands of children. If your bike is broken, they still want it. Bikes that cannot be brought back to life will be taken apart and the parts can be used on other bicycles.

Recycle Your Bicycle will take place in the parking lot in front of Shea Stadium at Redstone Park, 3280 Redstone Park Cir., Highlands Ranch. For more information about Recycle Your Bicycle, call 303-791-0430 or visit [www.projectrecycle.org](http://www.projectrecycle.org).

The Highlands Ranch Metro District is a proud sponsor of the Recycle Your Bicycle event.

*Founded in 1981 as the local government in Highlands Ranch, Colorado, the Metro District provides a variety of municipal services to this planned community of 96,000 people. Learn more about the Metro District at [www.highlandsranch.org](http://www.highlandsranch.org).*
