Volunteers Needed for Renew the Ranch

On Saturday, April 22 volunteers throughout the community will team up to help keep Highlands Ranch beautiful. Volunteers are invited to participate in Renew the Ranch from 9 until 11 a.m. to clean up designated park and open space areas in the community.

Renew the Ranch is a kid-friendly activity. Groups, families, and individuals are all encouraged to attend. This is a great opportunity for families to volunteer together and for high school students to earn community service hours required for graduation.

To volunteer, please contact Kari Larese at 720-240-4909 or klarese@highlandsranch.org. After you register, you will be contacted prior to the event with the park location you will be assigned to.

Founded in 1981 as the local government in Highlands Ranch, Colorado, the Metro District provides a variety of municipal services to this planned community of 96,000 people. Learn more about the Metro District at www.highlandsranch.org.
