Job opportunities available with Highlands Ranch Metro District

The Highlands Ranch Metro District is now hiring seasonal employees for the Parks, Recreation and Open Space department, and will host a job fair from 10 a.m. to 2 p.m. on April 12 at the Highlands Ranch Mansion, 9950 E. Gateway Drive.

Positions are available in parks maintenance, parkways, park services/sports fields, facilities and recreation. These jobs last between 12 to 40 weeks and offer a variety of work hours outdoors. Flexible scheduling can be considered for most positions.

“We want all of our seasonal employees to have a rewarding experience. A great benefit is working outside in the beautiful setting of Highlands Ranch,” said Dirk Ambrose, parks and parkways manager.

Seasonal technicians work alongside full-time staff members to provide exceptional service to the Highlands Ranch community, and may advance when full-time positions become available. The pay range is \$10-15 per hour, depending on experience. For more information and an application, visit www.highlandsranch.org/jobs.

Founded in 1981 as the local government in Highlands Ranch, Colorado, the Metro District provides a variety of municipal services to this planned community of 96,000 people. Learn more about the Metro District at www.highlandsranch.org.
