

Civic Green Park Interactive Fountains Turned On

The interactive plaza fountains in front of the Jeff Case Pavilion at Civic Green Park are turned on for the season. The fountains will run throughout the summer from 10 a.m. – 8 p.m. and may be shut off periodically for special events or maintenance.

As temperatures start to rise, children and the young at heart can enjoy the interactive fountains in addition to the waterfall, stream and overlook fountains at the park.

Civic Green Park is located in the heart of Highlands Ranch near the intersection of Broadway and Highlands Ranch Parkway next to the James H. LaRue Library.
