

## Drones, model rockets prohibited on Metro District property

The launch, landing or operation of model rockets and airplanes, including drones, is prohibited in all Highlands Ranch Metro District parks and open space.

As stated in Section 11.1 of the Highlands Ranch Metro District [Rules and Regulations](#), “Possessing fireworks, firearms, archery equipment, model rockets and airplanes on any District owned or managed properties is prohibited, except as provided by C.R.S. Section 18-12-201et seq.” Model rockets and airplanes are defined as any craft that is propelled off the ground by a gas or electric engine, CO2, compressed air or any other form of power. Only model gliders propelled by humans and airplanes propelled by elastic bands are permitted.
