

Renovation at Redstone Skate Park complete

The renovation of the streetscape area of Redstone Skate Park is complete and open for guests two weeks ahead of schedule. The renovation created a more durable and innovative design that appeals to skateboarders and riders at a variety of levels. The new design features a large, concrete streetscape plaza.

Originally built in 2001, Redstone Skate Park is a 22,000-square-foot fenced concrete facility that is a popular destination throughout the year. It is located at Redstone Park, 3280 Redstone Park Circle.

For more information, please contact Park Planning and Facilities Manager Brian Muller at 720-240-5922 or bmuller@highlandsranch.org.
