Douglas County's Household Chemical Roundup is almost here

Douglas County's Household Chemical Roundup is on Aug. 12 from 9 a.m to 3 p.m. at Shea Stadium, 3270 Redstone Park Circle, Highlands Ranch.

Proof of residency in Douglas County is required to participate. Residents will be asked to donate \$25 per vehicle to dispose of waste properly.

Items that are accepted are:

- House, garden and pool chemicals
- Paint and paint products
- Automotive fluids, fuels, propane tanks (1-20 lbs.)
- Vehicle and household batteries
- Items containing mercury
- Aerosols
- Fluorescent light bulbs
- CFLs
- Passenger vehicle and pickup truck tires (remove from rim)

Items that are not accepted are:

- Business and commercial waste
- Radioactive waste
- Electronic waste
- Explosive waste
- Smoke detectors
- Waste containing asbestos
- Tractor tires
- Scrap metal

These events are sponsored by the Highlands Ranch Metro District and Centennial Water & Sanitation District. Tri-County Health Department organizes these events to help dispose of chemical waste properly, prevent pollution and protect the people who handle your trash.
