

## Redstone Park playground closed for renovation

The playground at Redstone Park is closed for demolition and renovation. Construction is expected to be completed by the end of the year. New playground equipment will be installed to provide a physically challenging and mentally stimulating inclusive play space that promotes social interaction.

The upper play area closest to the pond will not be replaced during renovation. Redstone Park is located at 3280 Redstone Park Circle, in Highlands Ranch.

Project updates will be posted to [highlandsranch.org](http://highlandsranch.org). For more information about the renovation of the Redstone Park playground, please contact Ken Standen, facilities supervisor, at [kstanden@highlandsranch.org](mailto:kstanden@highlandsranch.org) or 720-240-5913.
