

POSITION ANNOUNCEMENT

SEASONAL PARKS, RECREATION, OPEN SPACE AND MANSION POSITIONS

Pay Range: **\$10.20 to \$15.00** per hour depending on experience.

We'd love to have you join our proud team at the Highlands Ranch Metro District. Who are we? We make the parks beautiful, we preserve history at the Mansion, we make the landscape shine along our streets, we provide outdoor sports and activities and we make the open space exciting and the trail system fun. There are several jobs to choose from with varying schedules but, unlike most other seasonal positions, you get to work with enthusiastic people in the beautiful, outdoor setting of Highlands Ranch. Upon joining our team you can expect to work hard, be collaborative, make new friends, laugh, develop new skills and most of all – have a rewarding experience.

There are approximately 50 seasonal positions available from February through November. Seasonal employment period ranges from twelve (12) weeks to thirty eight (38) weeks. Most of these positions work forty (40) hour work weeks with a wide range of hours including nights and weekends. Flexible scheduling may be accommodated depending on assigned workgroup and pre-employment approval by Supervisor.

Primary duties of our seasonal positions vary greatly, so please reference specific workgroups and associated duties on following pages. Work schedules and employment timeframes are generally referenced and subject to change upon notice. If you don't see a schedule that fits your needs, don't hesitate to seek more detail or ask about alternative schedules that may be available.

All applicants must be dependable and have a strong desire to be a team player. Our seasonal positions are highly valued and help us continue providing the Highlands Ranch community with outstanding programs and services. Unless otherwise noted, all applicants must be at least eighteen (18) years old at time of employment, have a valid driver's license and acceptable Motor Vehicle Record to apply. A high school diploma or GED equivalent is also required for applicants eighteen (18) and older. Pre-employment drug screening and background checks, including driving record, will be conducted.
