

METRO DISTRICT BOARD OF DIRECTORS

Mark Dickerson, Director

Mark moved to Highlands Ranch in 2002. Originally attracted to the community because of a reasonable commute to work, Mark and his wife were also drawn to Highlands Ranch by the high quality schools, the quality of the community, and the amenities, including recreation centers and recreation programs for their daughters. He added that the quality of life could not be matched anywhere else in Colorado.

He loves the people of Highlands Ranch, finding them warm, friendly and helpful. He has also been impressed with and motivated by the sense of community and the widespread desire to maintain Highlands Ranch as the best place to live. Mark is involved in the Stonebury Homeowner's Association as a board member and treasurer, serves as an HRCA district delegate, and is involved in the local Republication party. Appointed to the Highlands Ranch Metro District Board of Directors in 2017, Mark is a retired attorney, enjoys officiating youth sports and works part time as an investment advisor. He and his wife, Cynthia, have two grown daughters, Shannon and Meredith.
