

## Input requested about e-bike pilot program

The Metro District is launching a pilot program for e-bikes from April to October of this year.

Under current rules, electric bikes or e-bikes are prohibited in parks and on open space trails. During this trial period, Class I and Class II e-bikes will be permitted. Park rangers will log observed and reported e-bike interactions in addition to gathering comments from trail users. Findings from this pilot program will be reported to the Metro District Board of Directors in November.

Please provide your input by [taking an online survey](#).

For questions, contact Natural Resources Manager Nick Adamson at [nadamson@highlandsranch.org](mailto:nadamson@highlandsranch.org) or 303-791-5917.
