

**HIGHLANDS RANCH
Metro District**

**Position Announcement
Park Technician I - Irrigation**

Highlands Ranch Metro District, Parks, Recreation and Open Space are currently seeking an energetic self-motivated person with knowledge of the programming and maintenance of central irrigation systems. Applicants must have a strong desire to work in a team oriented environment and provide excellent customer service to the community.

This is a full-time position working forty (40) hours per week, Monday through Friday and may include some evenings and weekends.

Primary duties include the operation and maintenance of large park irrigation systems, controllers and weather stations. Snow removal, park related construction projects and other general park maintenance duties are expected.

You must be at least eighteen (18) years old to apply. A high school diploma or GED equivalent, valid driver's license and acceptable Motor Vehicle Record are required. Applicants must also have knowledge of central irrigation systems and experience installing, operating and repairing irrigation systems. Applicants should understand the principles and practices of water conservation and possess fundamental knowledge of various plant water requirements.

Pre-employment drug screening and background check, including driving record, will be conducted.

Starting pay is \$17.38 per hour.

Applications will be accepted until position has been filled.
