

**HIGHLANDS RANCH
Metro District**

Position Announcement Open Space Technician I

Highlands Ranch Metro District is currently accepting applications for an Open Space Technician I position to work in our Parks, Recreation and Open Space Department. A successful candidate is an experienced, highly motivated individual with a strong desire to provide excellent service to our community and be a team player.

Duties and responsibilities:

Performs all aspects of general open space maintenance including but not limited to; trail maintenance, vegetation management, and trash removal. Essential duties include: natural areas vegetation management, management of 3 community gardens and assisting with maintenance and management of 4 dog parks.

This individual will be required to gain and apply knowledge for a variety of range and wetland management programs including; wetland restoration, herbicide applications, spot mowing, drainage repairs and irrigation systems, and operation of heavy equipment. Participates in special events and assists in oversight of parks and open space rules compliance.

Applicants must have an Associate's degree in Open Space or Parks Management or related field, or 2 years' experience in open space/parks management. Combinations of education and experience will be considered. Applicant must acquire a Rangeland herbicide applicators license from the Colorado Department of Agriculture within the first 6 months of employment.

Pre-employment drug screening and background checks, including driving record, will be conducted.
